Parent and Guardian,

We are happy to announce that we have a new driver, Shasta Moser, who will be driving bus route 13. She will begin driving on Monday, October 2nd and as a result, the following route changes will also take place that morning:

- Students from bus route #16 who have been riding bus route #15 and bus route #17 in the ***morning***, will now be riding bus route #16
- Students from bus route #15 who were riding bus route #18 in the ***afternoon***, will now be riding bus route #15

We are happy to have Shasta join our team and hope that the addition of another driver will make things run more smoothly moving forward.

Please do not hesitate to contact me with questions or concerns.

Thank you,

May West
Transportation Supervisor
